Statement of intent

The Redhill Academy Trust and its individual Academies are committed to maintaining the confidentiality of its information and ensuring that all records within Academies are only accessible by the appropriate individuals. In line with the requirements of the General Data Protection Regulation (GDPR), each academy also has a responsibility to ensure that all records are only kept for as long as is necessary to fulfil the purpose(s) for which they were intended.

Each academy adopts this policy to outline how records are stored, accessed, monitored, retained and disposed of, in order to meet their statutory responsibilities.

This document complies with the requirements set out in the GDPR, which will come into effect on 25 May 2018.

For the avoidance of doubt, where the word student is used in the main tabular section, this also refers to pupils.

1. Legal framework

- 1.1. This policy has due regard to legislation including, but not limited to, the following:
 - General Data Protection Regulation (2016)
 - Freedom of Information Act 2000
 - Limitation Act 1980 (as amended by the Limitation Amendment Act 1980)
- 1.2. This policy also has due regard to the following guidance:
 - Information Records Management Society 'Information Management Toolkit for Schools' 2016
- 1.3. This policy will be implemented in accordance with the following Trust/Academy policies and procedures:
 - GDPR Policy
 - Freedom of Information Policy
 - IT Security Policy
 - E-Safety Policy

2. Responsibilities

- 2.1. Each academy has a responsibility for maintaining its own records and record-keeping systems in line with statutory requirements.
- 2.2. The Headteacher holds overall responsibility for this policy and for ensuring it is implemented correctly.
- 2.3. The Data Protection Officer (DPO) is in charge of ensuring the academy is compliant with this policy. However, the operation of this policy is conducted by the Academy's Operations Manager
- 2.4. The Operations Manager is responsible for promoting compliance with this policy in their own academy and reviewing the policy on a three yearly basis, in conjunction with the DPO.
- 2.5. The Operations Manager is responsible for ensuring that all records are stored securely in their academy, in accordance with the retention periods outlined in this policy, and are disposed of correctly.
- 2.6. All staff members are responsible for ensuring that any records, for which they are responsible, are accurate, maintained securely and disposed of correctly, in line with the provisions of this policy.

3. Management of student/pupil records

- 3.1. Student/pupil records are specific documents that are used throughout a student's time in the education system – they are passed to each academy that a student/pupil attends and include all personal information relating to them, e.g. date of birth, home address, as well as their progress and achievement.
- 3.2. The following information is stored on the front of a student/pupil record, and will be easily accessible:
 - Forename, surname, gender and date of birth
 - Unique student number
 - Note of the date when the file was opened
 - Note of the date when the file was closed, if appropriate
- 3.3. The following information is stored inside the front cover of a student record, and will be easily accessible:
 - Ethnic origin, religion and first language (if not English)
 - Any preferred names
 - Position in their family, e.g. eldest sibling
 - Emergency contact details and the name of the student's doctor
 - Any allergies or other medical conditions that are important to be aware of
 - Names of parents, including their home address(es) and telephone number(s)
 - Name of the academy, admission number, the date of admission and the date of leaving, where appropriate
 - Any other agency involvement, e.g. speech and language therapist
- 3.4. The following information may be stored in a student/pupil record or alternatively on the academy's management information system, and will be easily accessible:
 - Admissions form
 - Details of any SEND
 - If the student has attended an early years setting, the record of transfer
 - Annual written reports to parents
 - National curriculum and agreed syllabus record sheets
 - Notes relating to major incidents and accidents involving the student
 - Any information about an education and healthcare (EHC) plan and support offered in relation to the EHC plan

- Any notes indicating child protection disclosures and reports
 - Any information relating to exclusions
 - Any correspondence with parents or external agencies relating to major issues, e.g. mental health
 - Notes indicating that records of complaints made by parents or the student are held
 - Absence notes
 - Parental and, where appropriate, student consent forms for educational visits, photographs and videos, etc.
 - Correspondence with parents about minor issues, e.g. behaviour
- 3.5. Hard copies of disclosures and reports relating to child protection are stored in a confidential file, in a securely locked filing cabinet in an appropriate location in the academy – a note indicating this is marked on the student/pupil file.
- 3.6. Hard copies of complaints made by parents or students are stored in a file in the headteacher's office.
- 3.7. Actual copies of accident and incident information are stored separately on the academy's electronic information system or accident file and held in line with the retention periods outlined in this policy. An additional copy may be placed in the student/pupil's file in the event of a major accident or incident.
- 3.8. Each academy will ensure that no student/pupil records are altered or amended before transferring them to the next academy that the student/pupil will attend.
- 3.9. The only exception to the above is if any records placed on the student/pupil's file have a shorter retention period and may need to be removed. In such cases, the person responsible for disposing records in the academy, will remove these records.
- 3.10. Electronic records relating to a student's record will also be transferred to the student/pupils' next academy. [Section 10](#) of this policy outlines how electronic records will be transferred.
- 3.11. **[Primary schools only]** The academy will not keep any copies of information stored within a pupil's record, unless there is ongoing legal action at the time during which the student leaves the academy. The responsibility for these records will then transfer to the next academy that the student attends.
- 3.12. **[Secondary schools and sixth form colleges only]** If any student attends the academy until statutory school leaving age, the academy will keep the student's records until the student reaches the age of 25 years.
- 3.13. The academy will, wherever possible, avoid sending a student/pupil record by post. Where a student/pupil record must be sent by post, it will be sent by recorded post and must be signed for by the receiving school. Child Protection

records are sent separately by recorded delivery and the receiver must indicate to the sending school that they have been received.
