Dear parents/guardian

**Re: New PE kit**

We are excited to announce the launch of our new PE kit, designed to enhance comfort and performance for our students. This new kit will be phased in gradually over the next few years, therefore there is no immediate requirement to purchase the new PE kit. Students can continue to use their current kit until it needs replacing. However, if you would like to purchase the new kit sooner, it is available as of now and can see further information on our website.

We appreciate your support and understanding as we make this transition. If you have any questions or concerns, please do not hesitate to contact us.
