Year 11 Mock exam timetable – 2026/27

Please refer to this document for all mock exams for Year 11. Students will receive their own personalised exam timetable via their school email before half term; subject staff are providing a lot of support throughout the exam period and students will practice the same routines they will follow in the summer for their real GCSE exams. Please note that some practical mock exams take place outside of the mock exam window plus Cambridge National PE students sit real GCSE exams, counting towards their GCSE grade in January.

With that in mind, all students must attend the pre-exam booster sessions which take place in the bleachers. These happen at 8:45am and 1:10pm and provide students with key messages, hints and tips about the exam they are about to sit. Booster sessions lasting 30 minutes will also take place, on the whole, before school or at lunchtime with the occasional session after school (full details of times and rooming is below). **All Year 11s will have lunch at 12:15pm throughout the mock exam period (16 – 27 November) to enable them to attend lunchtime booster sessions. Students will also be allowed to go home once afternoon exams have finished.**

Mock results day takes place on Thursday 17 December; students will receive an appointment time between period 2-5 that day to receive their results. No results for exams will be given prior to this date.
