CO-CURRICULAR PROGRAMME 2025-26

The
Oakwood
Academy

Welcome to Curriculum Plus

Our academy promotes activities that widen our students' experiences through our Curriculum Plus programme. This includes opportunities to participate in sport clubs, the performing arts, trips abroad, cultural experiences and character-building challenges.

These experiences help to develop our students' self-confidence, build their resilience, and feel a sense of belonging. They also challenge our students to learn new skills and find a passion that they can take with them throughout their life.

Students can take part in activities they already love or choose to try something brand new. We encourage all students to get involved and choose at least one or two Curriculum Plus activities.

Bee Creative - Arts & Crafts

Mrs Sally Byron

All Years

Wednesday
3:10pm - 4pm

Zone

Bee Creative – Arts & Crafts offers a fun and simple curriculum where students explore drawing, painting, and making things with different materials. It focuses on helping children be creative, try new ideas, and enjoy learning through art.

This is useful for students because it improves their creativity, builds confidence, and helps them develop important skills like focus and problem-solving. It also gives them a way to express their thoughts and feelings in a positive way.

Duke of Edinburgh Award

Mrs Lucy Bailey

KS3/4 Students

Monday
3:10-4:10pm

Library

The Duke of Edinburgh's Award is a programme where students complete activities in areas like volunteering, physical exercise, learning new skills, and taking part in an expedition.

It is useful for students because it helps them build confidence, independence, and teamwork skills. It also encourages them to stay active, help others, and try new challenges, which can be valuable for their future education and careers.

Handball Club

Miss Bartkowska

KS3/4 Students

Wednesday
Lunchtime

Handball Courts

Handball Club offers a fun and active curriculum where students learn the basic rules, skills, and techniques of handball, such as passing, shooting, and teamwork. Sessions often include practice drills and friendly matches to help students improve and enjoy the game.

It is useful for students because it keeps them physically active, builds teamwork and communication skills, and improves coordination. It also helps boost confidence and encourages a healthy, active lifestyle.
